

**Position Posting  
January 2012**

**Part-Time Research Associate**

Vista360 is an investment management consulting firm located in Milwaukee with a national reputation of delivering expert advice in a practical, customized fashion. We assist investment advisers and funds navigate the complex federal securities laws, and provide advice to our clients on incorporating industry-standard best practices stemming from the rules and regulations into their business practices.

Our ability to provide timely and helpful advice to clients is based on our robust research function. As such, we are searching for a part-time Research Associate to join our internal Research Team, which identifies relevant industry developments and communicates them to our consultants and clients.

The Research Associate shall:

- Conduct in-depth research of new and existing rules and regulations that impact our clients, including the Investment Company Act of 1940 and the Investment Advisers Act of 1940;
- Routinely review various news publications and websites for regulatory developments that may impact Vista360 or its clients;
- Draft internal memos, client communications and website Compliance Alerts to inform Vista360 consultants and clients of important regulatory and legislative developments;
- Present on research topics during monthly internal consultant education sessions; and
- Assist consultants with research-related projects such as national conference presentations and client reference materials.

Requirements include:

- Strong research and writing skills.
- A legal background/training.
- Interest in the securities industry.
- Solid technology skills.
- Investment adviser and/or fund company SEC regulatory experience a plus.

We will provide a competitive hourly rate, and we expect an average of 20-25 hours per week.

Interested, qualified candidates should submit a resume and cover letter to:
